To Whom It May Concern:

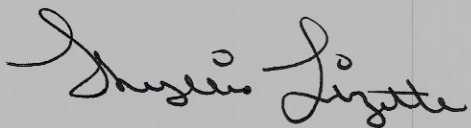

Mr. Stephan Grillitz, owner of Future Cleaning has worked with us since 2011 in several important capacities relating to our 10 homes located in Santa Monica and Venice Beach.

In addition to Mr. Grillitz's cleaning services, we depend upon him to inspect our properties daily, trouble shoot various problems, guest relations, communicate with guests and vendors, oversee inventory and other maintenance issues.

Mr. Grillitz has proven himself over the years to be consistently efficient, courteous, extremely dependable and very importantly proactive. He has been a very effective and communicative manager in every given situation. Since I communicate with Mr. Grillitz daily it is always a big plus he is optimistic and cheerful even while executing the most difficult tasks.

I enthusiastically recommend Future Cleaning and Stephan Grillitz. I would be happy to follow up with a phone call to clarify any of the above information.

Sincerely yours,

Phyllis Lizette
